If you really like school, fill in the circle next to "I like school very much," and so on. **Fill in only one of the circles for each question.** Try to keep your marks inside of the circle.

About being bullied by other students

Here are some questions about being bullied by other students. First we explain what bullying is. We say a **student is being bullied when another student, or several other students**

- say mean and hurtful things, or make fun of him or her, or call him or her mean and hurtful names
- completely ignore or exclude him or her from their group of friends or leave him or her out of things on purpose
- hit, kick, push, shove around, or lock him or her inside a room
- tell lies or spread false rumors about him or her or send mean notes and try to make other students dislike him or her
- and do other hurtful things like that

When we talk about bullying, these things happen **more than just once**, and **it is difficult for the student being bullied to defend himself or herself**. We also call it bullying when a student is teased more than just once in a mean and hurtful way.
